

Equity and Social Justice Webinar Clinical Advocacy and Care of Transgender and Gender Diverse Youth

DESCRIPTION:

Too often, transgender and gender diverse youth can get caught up in various legislative bills or institutional practices that can affect their health and well-being. Meet three physicians who will discuss their thoughts and experiences around clinical advocacy and care.

PANEL SPEAKERS:

Deanna Adkins, MD

Director of Child and Adolescent Gender Care Clinic
Duke University Children's Hospital

Frances Grimstad, MD, MS

Assistant Professor, Gynecology
