Equity and Social Justice Webinar
Clinical Advocacy and Care of Transgender and Gender Diverse Youth

DESCRIPTION:
Too often, transgender and gender diverse youth can get caught up in various legislative bills or institutional practices that can affect their health and well-being. Meet four physicians who will discuss their thoughts and experiences around clinical advocacy and care.

PANEL SPEAKERS:

Deanna Adkins, MD
Director of Child and Adolescent Gender Care Clinic
Duke University Children’s Hospital

Frances Grimstad, MD, MS
Assistant Professor, Gynecology
Boston Children's Hospital, Harvard Medical School

Ellie Kim, MD
Researcher

Morissa Ladinsky, MD
Associate Professor of Pediatrics, Multidisciplinary Gender Team
University of Alabama at Birmingham

MODERATOR:

Alden Landry, MD, MPH
Assistant Dean, Office for Diversity Inclusion and Community Partnership, Harvard Medical School, Assistant Professor, Emergency Medicine, Beth Israel Deaconess Medical Center

WEDNESDAY, OCTOBER 27, 2021
